### PROJECTS

#### E-COMMERCE WEBSITE

- The project aims to implement a bargaining feature on an e-commerce platform, allowing users to negotiate prices with sellers.

#### E-COMMERCE PLATFORM FEATURES

- Contributed to an existing e-commerce platform by adding add-to-cart, wishlist features, and integrating payment gateway functionality. Also implemented Firebase authentication for user login

#### PORTFOLIO WEBSITE

- Developed a responsive portfolio website using React and Tailwind CSS to showcase projects and skills
